

The Conejo Free Clinic and You

We thank you for your participation in the **CONEJO FREE CLINIC FALL GOLF CLASSIC** to be held at the Moorpark Country Club. It will be a fun day of challenging golf on a beautiful course, delicious food and exciting auctions. Your partnership helps to provide the financial support for us to achieve our mission.

The Conejo Free Clinic was founded in 1976 and provides legal and medical services to those who may have no access to care. Last year, the **CONEJO FREE CLINIC** provided services to over 4000 people in our community! They are of all ages and backgrounds. These are the uninsured and underinsured. They may be your neighbors, the self employed or unemployed professionals, the working poor and countless others.

Our services are provided free-of-charge. They include Family Practice, Women's Health, Pediatrics, Immunizations, Legal Services and a unique Patient Referral and Advocacy Program. We partner with other organizations in our community to give our clients access to a rich resource and service network.

Your donation is combined with in-kind and donated services delivered by volunteer medical and legal professionals and many other volunteers.

THANK YOU!
