

What Your Support Means

Your support will help us provide free medical, dental and legal services for over 2,500 people through 300 clinics over the coming year.

19th Hole Celebration proceeds will support physician assessments, treatment plans, nursing care, lab tests, x-rays, mammograms, and

other key imaging, patient advocacy and referral, dentistry for adults and children, including special needs patients and military veterans, and legal guidance from our 15-member legal team of attorneys representing almost every area of the law--- to name just a few of our services... and all, again, free of charge.

Please join us for dinner, music, entertainment, Live, Silent & Chinese Auctions, a photo booth and many other surprises!

Dr. Frank Dawson

CFC Medical Director & Event Chair Emeritus

The Conejo Free Clinic Annual Fall Golf Classic, chaired for over 30 years by Dr. Frank Dawson, is now on hiatus. What's the obvious next step? With Dr. Dawson's blessing, the upcoming *The 19th Hole Celebration!* Join us October 8th, at the Los Robles Greens in Thousand Oaks.

As was our Golf Classic Dinner over the years, the *19th Hole Celebration* is a very special gathering of our local medical, dental, legal, business and civic leaders. All are coming together to celebrate our free clinic as a community safety net for low-income men, women and children of all ages and life circumstance.

*We all look forward
to seeing you at this
first of many
19th Hole Celebrations!*

Our All-Volunteer Team is now over 100 members strong... doctors, nurses, dentists, dental hygienists, dental specialists, attorneys and support staff. These amazing professionals give their personal time and professional skills to help people with few alternative options for care. Our Team comes from respected leaders in the medical, dental and legal fields.... Los Robles Hospital, Kaiser Permanente, Amgen, UCLA, Pepperdine Law School and private practice.

Because of our Volunteer Team and the support of our donors, all of our services are provided free of charge for our grateful patients... all who are uninsured or underinsured, and all of whom are deeply struggling financially.
